### Holiness has a cost — Daily unseen choices...

St Francis understood that a holy life is built in small unseen moments: when you choose peace instead of revenge, silence instead of gossip, purity instead of compromise, mercy instead of pride.

He walked through a broken world without becoming bitter. He carried peace without becoming weak. He loved God without turning faith into performance. The world teaches people to build an image. The saints teach people to build a soul. A holy life will often look strange to the world. It may cost comfort, popularity, and approval. But it gives something deeper: a heart that becomes free enough for God to live inside it.

Ways to live holiness daily:

- Protect your inner life. Spend time in silence with God before giving your energy to the noise of the world.
- Be faithful in small things. Holiness grows through daily discipline, not dramatic moments.
- Treat people with dignity. Every person carries a soul loved by God, even the difficult ones.
- Guard what enters your heart. Not everything deserves access to your mind, attention, or spirit.

### Prayer to St. Anthony for Gratitude in Daily Life

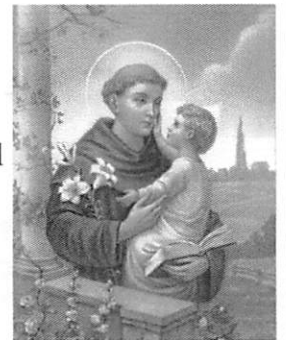

Dear St. Anthony, faithful servant of God, help me recognize God's loving blessings in my daily life.

Teach me to live with gratitude in times of joy and in times of challenge.

Open my heart to see God's presence in family, in creation, and in the simple gifts of each day.

Guide me to live with trust, simplicity, and generosity toward others.

St. Anthony, intercede for me, that I may walk each day with a grateful heart, growing closer to Christ. Amen
